"Concerns", by Dr. John Campbell, Dec 6 2024

of course there is so much more evidence, this is just a kick-starter

2.4 - A possible avenue to getting rid of the malicious effects of the covid vaccine, by the current FBI director, Kash Patel

Just in case anybody was wondering what Trumps new Director of FBI Kash Patel's position on the Covid Vaccines is....
He posted this earlier in 2024 on Truth Social - encouraging people to detox from the deadly Spike Protein.

2.7 - Not the most solid evidence, but the source is undefeated - Alex Jones, so I think hearing his testimony on what seems likely to be happening is invaluable

There is a little script where he describes how does the spike protein work with a videoclip
